

Official Statement Issued by Ummet Waqf

Regarding the Allegations Circulating on Social Media

In the Name of Allah, the Most Merciful, the Most Compassionate

Dear donors and esteemed supporters,

In recent days, social media platforms have witnessed an organized and coordinated campaign targeting Ummet Waqf with a number of entirely unfounded accusations and fabricated claims. In the face of this misinformation, we find it necessary to respond clearly, firmly, and professionally — to expose the falsehoods being circulated and reaffirm the transparency, integrity, and legal accountability of our work.

We state unequivocally:

Ummet Waqf is completely innocent of all allegations.

Our record is clear, publicly accessible, and under continuous official oversight.

1. Findings of the Official Inspection

The allegations and so-called “secret reports” circulated online have already been addressed through an official investigation conducted by the General Directorate of Foundations in the Republic of Türkiye.

The formal inspection report, which is publicly available and attached, categorically refutes every claim point by point, supported by verified and documented evidence.

This report stands as the highest authoritative confirmation of the Waqf’s integrity, transparency, and full compliance with all legal obligations.

2. Legal Status and Oversight

Ummet Waqf was established on 21 October 2013 under Deed No. 35787.

It is a fully Turkish foundation in origin, administration, and governance, operating under the direct supervision and continuous monitoring of the General Directorate of Foundations.

This clear legal framework eliminates any attempt to misrepresent or distort the Waqf's identity, nature, or affiliation.

3. Complete Independence from Groups and Political Actors

Since its establishment, Ummet Waqf has maintained no relationship or affiliation — direct or indirect — with any group, party, or political movement, whether inside or outside Türkiye.

The Waqf is entirely independent, guided by a Turkish administrative structure, and strictly adheres to all regulatory requirements governing foundations in Türkiye.

Regular audits by competent authorities ensure the highest possible levels of transparency and accountability.

4. Evidence from Thousands of Publicly Documented Projects

The thousands of humanitarian, educational, and developmental projects implemented by Ummet Waqf in AL QUDS, Gaza, Syria, and other regions — all documented on our official platforms and in detailed public reports — form a proven and undeniable record of real impact.

These achievements represent the strongest response to every false allegation. Those who fabricate such claims cannot begin to grasp the scale of the continuous work being carried out for the people of AL QUDS, Gaza, and Palestine at large.

5. Advisory Council and International Endorsements

Ummet Waqf is supported by a High Advisory Council representing more than fifty countries.

The Waqf has also received endorsements and recognition from senior scholars, international figures, and respected humanitarian leaders who have reviewed its work firsthand.

Every conference, publication, and official activity is issued with direct approval and in accordance with our professional, ethical, and administrative standards.

6. Legal Action Against Defamation

To protect its reputation and its regional and international achievements, Ummet Waqf reserves the full legal right to pursue action — before judicial authorities in Türkiye or any relevant jurisdiction — against any individual or entity responsible for spreading defamatory statements or misleading information.

A Message to Our Donors and the Ummah

These coordinated smear campaigns are nothing more than desperate attempts to hinder our mission and mislead those who support humanitarian work.

We urge everyone not to be influenced by such falsehoods and not to give baseless claims any credibility.

No slander, misinformation, or malicious campaign will deter Ummet Waqf from its mission to support our people in AL QUDS, Gaza, and all of Palestine, or from ensuring the continuity of our vital humanitarian, educational, and social projects.

Our mission remains firm, our commitment unwavering, and our transparency uncompromised.
